CITY FACTS AND FANCIES.

We recommend a perusal of Mr. Hersey's letter, on our first page.

Mr. Beckers party, last Monday evening, was a pleasant affair, and was well attended.

To-day, the Democrats (?) have a grand blow out on Humboldt. They call it a barbecue—we think it will be attended by a barbarous crew.

Letters from correspondents, J. C. K., Wm. T., and the "agricultural" communication, are necessarily omitted for want of space. Will appear next week.

At the request of the "Junction Boys," we return thanks to the citizens of Topeka, Wabunsee and Manhattan, for the kind manner in which they were received at those places.

By the arrival of the Junction boys our social circle has received the acquisition of their old favorite, Maj. J. P. Downer, now Lieutenant. The Major (we must adhere to the old title) returned in command of the company. He was alike honored when returning from Mexico, in '49. We are pleased to see a disposition shown to make his visit as agreeable as possible.

"S," the artful dodger, pettifogger, and regular contributor for the *Frontier*, wonders how much we got for advocating the claims of Topeka for Capital. Sir, we receive for that service the respect and esteem of all right thinking men of Western Kansas, who have the true interests of our State at heart, and, unlike you, are capable of appreciating those interests. Your contracted mind is so engrossed with thoughts of gain, that you cannot conceive of a persons doing a right action without a pecuniary reward.

IN A FUNNY HUMOR.

The *Frontier* of Aug. 3d contained some side-splitting paragraphs. They felt in a loyal humor about that time, and so ridiculed our troops at Bull Run. Here is the funniest thing they could say of it:

"The Federal troops took refuge in Abraham's bosom at the battle of Manassas."

Recent events have changed the *Frontier's* tone, but we don't think this change is owing to any accession it has made to its editorial ranks—Oh! no!

HOME AGAIN.

The Junction boys attached to Company B, Second Kansas, arrived home on Monday last, and met with a cordial reception from our citizens, though not half the demonstration was made as should have greeted their arrival. The boys all look fine—much better than we expected—after undergoing the hardships of the last five months. They have marched 1300 miles, through an enemy's country, part of the time on half rations, compelled at all times to be vigilant, and in the performance of the most arduous duties of the soldier, almost constantly occupied with forced marches and skirmishes, and in one instance did the fighting of four times their number in one of the hardest contested battles ever fought in America.

The gallant conduct of these brave boys, with others from our State, has given to Kansas a name of which every citizen can be proud, though we, who have played the Sunday soldier, and done our fighting orally, cannot expect to claim much credit. To them be all the praise, and if there is anything in our *boazars* that they wish to appropriate for particular or general purposes, they needn't stop to ask for it. "Boys, we're so much yours, that we're scarcely our own."

UNION SPEECH BY CALEB CUSHING.
Caleb Cushing made a strong Union speech at Salisbury, Mass. He said the Administration must be sustained at all hazards; that the present was no time to discuss the causes of this unhappy struggle; that our all must be given to support the Administration and Government; that the war must be carried on, if need be, for twenty years, for the maintenance of our glorious Union; that the same spirit that moved our fathers to form, must prevail with us to perpetuate the noblest Government the world has ever beheld; that all party lines must be dropped, and that as one man all must rally to victory.

Sec. 6. That at all elections held under this act, the polls shall be opened between the hours of eight o'clock in the morning, and closed at six in the evening of the same day.

Given under my hand and the great seal of the State, at Topeka, this 30th day of September, A. D. 1861.

C. ROBINSON.

By the Governor, J. W. ROBINSON, Sec'y of State.

FIGHT IN KENTUCKY.

INDIANAPOLIS, OCT. 2.—The expedition planned by Col. J. V. Guthrie, of the Kentucky First, and sent under Lieut. Col. Engort and Col. Platt, has returned. They encountered the enemy at Chapmanville, under Col. J. L. Davis of Greenbrier, and utterly routed them. The enemy lost between 50 and 60 killed. Our loss was 4 killed. The expedition returned to Charleston on the 30th.

IMPORTANT FROM MEXICO.—We learn from a correspondent of the *New Orleans Crescent*, writing from Matamoros, Mexico, that our Minister, Tom Corwin, has received permission from the authorities of that Republic, to march Federal troops over her soil, into the rebellious States. The correspondent further says:

"While the permission which Mexico has granted is altogether worthless—for no national forces will ever march through this country—it has the moral and political effect of placing the Confederate States in a position of hostility with Mexico, unless the South has lost her self-respect. You can do nothing less than take steps to make Mexico retract this permission, or her Councils should at once be dismissed, and a strong military force should at once be sent to occupy the Mexican States on the Rio Grande, as a security for her peaceful conduct against these frontiers."

It may be Bishop Polk is out of his head. As he resided at Memphis, he may have actually supposed that Tennessee was Egypt, himself Moses, his Confederate congregation the Children of Israel, and Kentucky the Promised Land. Ah, Brigadier-General Polk, Kentucky isn't the land promised you.—*Louisville Journal*.

OCT. 2.—The Overland telegraph is now operating to Sweetwater, 30 miles this side of the South Pass. It will be in operation to a point 125 miles this side of Salt Lake City before the end of the week.

The Richmond *Whig* plaintively advertises for vaccine virus, and says a supply is of the utmost importance.

Maryland has furnished a full Brigade for the Government.
